## Cayman Brac, Cayman Islands

**January 28 – February 4, 2012**

**Experience some of the best wall diving in the Caribbean!!**

Cayman Brac is located 480 miles south of Miami, 90 miles to the northeast of Grand Cayman and 5 miles from Little Cayman. It is 14 miles long and just over 1 mile wide. So it doesn't take long to explore this island! Cayman Brac has impressive limestone cliffs that run along the middle of the island from west to east. At the eastern tip, the bluff ends in a dramatic 140 foot drop. The island got its name from these cliffs since "brac" is the Gaelic word for bluff.

We will be staying at Brac Reef Beach Resort. It is a charming, family-owned all-inclusive getaway located on four and a half acres of white-sand beachfront. Brac Reef Beach Resort is the only Cayman Brac resort where you can dive two islands in one Cayman Island vacation. Through the on site dive shop we'll dive both Cayman Brac and Little Cayman! You can also relax with an outdoor massage under the shade of their two-story pier, or lounge in a hammock hut along the beach. Other options are snorkeling, kayaking, fishing, tennis, beach volleyball, hiking, beach BBQs, caving, bird watching and biking.
