"Your Pre-Dive Safety Stop"

Curacao, Netherlands Antilles

December 4 - 11, 2010

Join us for a week of spectacular diving!!

Curacao is the "C" of the ABC islands. The ABC islands are comprised of Aruba, Bonaire and Curacao. These dry arid islands are located outside of the Hurricane belt near the coast of Venezuela. The diving in Curacao rivals Aruba and Bonaire. You will find sea horses, frogfish and beautiful yellow cup corals that brighten up the night dives.

We will be staying at Breezes Resort. This resort is your home away from home. It is renowned for its beautiful crescent shaped beach, serene and secluded location, easy access to Curacao's premier diving sites, including the one and only Mushroom Forest, and spectacular snorkeling and scuba diving in the lagoon and on the house reef.
