

PADI SPECIALTY - UNDERWATER NAVIGATION

This specialty class is designed to be an introduction to Underwater Navigation and to help the student diver develop the skills and knowledge necessary for use in underwater navigation.

Upon completion you will earn the PADI Search & Recovery Diver certification. This class counts toward the Master SCUBA Diver rating. Master SCUBA Diver is the highest non-instructional classification in the PADI system of diver education. For this level of achievement you must have 50 logged dives and hold PADI Rescue Diver certification along with five PADI Specialties.

This specialty class consists of 3 open water dives and covers:

- Planning, organization, procedures, techniques, problems and hazards of underwater navigation
- Methods of estimating distances underwater
- Natural navigation techniques
- Using underwater patterns
- Dive site relocation techniques
- Compass navigation techniques

Class Includes:

- PADI Underwater Navigator Manual, Video, Navigation Finder & Log Insert
- Certification Processing
- Certification Photo
- Air Fills

Pre-requisite: PADI Open Water Diver certification or equivalent

Minimum Age: 10

Class Fee: \$129.00

Class Schedule: For most current schedule, contact the shop or visit www.AirDownThere.com

SCUBA Equipment is NOT included, but may be rented at HALF PRICE.
